Meetings to Last Till Thursday With Dinner Each Evening.

Musons from all over Virginia are here to join with the Richmond lodges in the twenty-eighth annual reunion of the bodies of the Ancient and Accepted Scottish Rite of Free Masonry, the first session having been held at the Temple last night. The reunion will last until Thursday.

About one hundred visiting Masons are here participating in the imposing ceremonies. The dinner last night was a mos delightful affair ,and others during the week promise to be equally so. When the dinner was over, Perfection

Lodgo conferred the degrees.

The atendance of out-of-town Masons is quite graffying, and the brethren enjoyed meeting each other very much.

Further Programme.

The programme for the remainder of the week is as follows: To-day dinner will be served in the Temple at 5 o'clock, after which the chapter of Rose Croix will confer and communicate the degrees of that booy (fiftcenth degree-eighteenth degree). Tomorrow dinner will be served at 6 o'clock, after which the Council of Knights Kadosh will confer and commu-

nicate the degrees of that body (nine-teenth degree-thirtieth degree). On Thursday, November 18th, the Con-sistory will confer the thirty-first degree,

commencing at 4 o'clock, and the thirty second degree, commencing at 3 o'clock P. M., after which the session will close with a supper and the enjoyment of social intercourse.

It would require a great deal of time to confer all the twenty-nine degrees, hence each body will confer in ample form the most impressive degrees and commomorate the rest.

The Officers.

The thirty-first and thirty-second de-grees, composing the Consistory, will be conferred in ample form with complete

paraphernalla. The officers in charge of the reunion arrangements are as follows: O. A. Haw-kins, 32, K. C. C. H.; James J. Sutton, 22, wise master, Chapter of toose Crolx; E. D. Manchester—Chairman Adkins, Jones,
Robertson and Patram. Messrs. Pollard,

Mr. Cannon stated concisely what
Richmond was willing to do in the matter. He said she would take care of
Manchester's present city officers for a
reasonable period; would for a term of
years agree to expend all the taxes collected from Manchester in Manchester.

They were therefore unprepared to accept any proposition made by Richmond or to sumbit one themselves. They asked for indusence, and November 23d was set as the date for the next meeting. The Richmond members appeared much in favor of consolidation, but this cannot be said of the Manchester contingent.
